APPLICATION OF LITTLE PARK WATER
COMPANY, INC., AN ARIZONA
CORPORATION, FOR AUTHORITY TO
REINSTATE AN ARSENIC HOOK-UP FEE
TARIFF.

DOCKET NO. W-02192A-10-0404

**RESPONSE TO STAFF
MEMORANDUM**

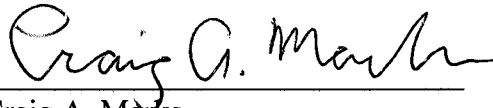

LITTLE PARK WATER COMPANY, INC.

1 Little Park Water Company, Inc. ("Little Park") hereby responds to the November 22,
2 2010, Memorandum filed by the Commission's Utilities Division Staff ("Staff").

3 Little Park initially notes that it does not object to the relief sought by Staff. Little Park
4 understands that Staff is operating under severe staffing and budget restraints. Staff previously
5 phoned undersigned counsel to request additional time to process Little Park's application. Little
6 Park did not object to the request, although Little Park also stated that it hoped that Staff would
7 not require the full 120-day extension to process the application.

8 The requested relief is very basic. Little Park only seeks to reinstate previously approved
9 arsenic hook-up fees at the levels then authorized by the Commission. Staff has already sent
10 data requests to Little Park concerning its request and Little Park responded to these requests in
11 four business days. Little Park stands ready to promptly provide any additional information Staff
12 may need to process the application.
